

# **POWER-ON**

**OIL RICH STABILIZED RICE CONCENTRATE**

*The Ultimate Fuel*

**High Oil, high energy concentrate**

**Suitable for Race Horses and Sport Horses in hard work, poor doers or horses that would benefit from a high oil, cool energy supplement. Ideal for preparing Yearlings for Sale or for Show Horses or Ponies.**

# POWER-ON

## OIL RICH STABILIZED RICE CONCENTRATE

Vitamite Power-On is a highly digestible, steam extruded, concentrated rice extract suitable for adding to all equine diets to provide high levels of cool energy to assist with conditioning and topline. The high levels of Rice Bran Oil (18% - 180mls/kg) provide a cool energy source in an easily digestible form. Simply add 500g-2kg of Vitamite Power-On to the daily diet for optimum results.

### Vitamin E

Vitamite Power-On contains increased levels of Vitamin E to assist with muscle function, important for horses in hard work.

### Ferulic Acid

Vitamite Power-On is manufactured from premium quality rice concentrate, which contains Ferulic Acid, a natural anti-oxidant. Anti-Oxidants play an important role in the protection of cell membranes from damage that may occur during strenuous exercise.

### GOOD REASONS TO FEED VITAMITE POWER-ON

- High oil levels in Power-On provide cool, safe energy.
- Contains the natural anti-oxidant Ferulic Acid.
- Steam extrusion manufacturing process increases digestibility in the small intestine to over 90%.
- Steam Extrusion process destroys harmful bacteria.
- Power-On is eaten slowly, increasing saliva production, which reduces the risk of choke, colic and ulcers.
- Highly palatable.

### POWER-ON DAILY FEEDING GUIDE

Vitamite Power-On should be added to the diet at a rate of 500g to 2kg daily, depending on the size, condition and workload of the horse.

### NUTRIENT LEVELS IN 1KG OF POWER-ON

Calcium	.....18g
Phosphorous	.....15g
Vitamin E	.....1100iu
Selenium	.....0.1mg

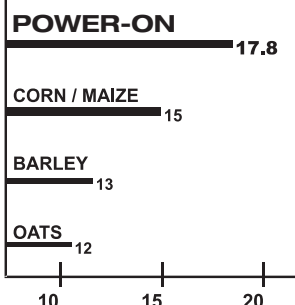

### ANALYSIS

EST. DE (MJ/KG)	.....17.8
MINIMUM CRUDE PROTEIN	.....11%
MINIMUM OILS	.....18%
CRUDE FIBRE	.....9%
SALT (NACI)	.....1.2%

**INGREDIENTS:** STEAM EXTRUDED RICE CONCENTRATE, RICE BRAN OIL, MINERAL SALTS, MOLASSES, HEAT STABLE VITAMINS, ANTI-OXIDANTS, SALT.

### DIGESTIBLE ENERGY (MJ/Kg) IN DIFFERENT FEEDS

*Premium Nutrition – always pays dividends*
